ABOUT US

we have been committed to delivering delicious and refreshing snacks to our customers. We use only high-quality ingredients and the latest manufacturing technology to ensure that our products are of the finest quality. Our brand is all about fun, happiness and bringing people together through our range of popsicles, ice creams and sorbets. We believe in giving back to the community and are dedicated to reducing our carbon foot print by using sustainable practices. Choose pop ice for an indulgent and guilt-free treat that will put a smile on your face.
